Conversations on Caring in Reproductive Health Nursing: Beyond Bars

\$0.00

The **Conversations on Caring in Reproductive Health Nursing** webinar "Beyond Bars: Ensuring Respectful Care for Incarcerated Patients" aims to shed light on the crucial topic of reproductive and maternal care for individuals who are currently or have been incarcerated. This thought-provoking session will explore the unique challenges this often-forgotten population faces as they try to access respectful and comprehensive healthcare services. With a focus on promoting equity and justice, this session will delve
